About the Department

The department was established in the year 1971 formerly it was started as diploma in Garment making. This is one of the oldest departments since the institute started. The department of computer Aided Costume Design and Dress Making is the platform to get a place in the fashion world. It is imparting training in the areas of pattern making, CAD, Design & Technology to assist the Indian Apparel industry to meet the challenges to the global market. The programme imparts practical knowledge pertaining to apparel manufacturing technology. The students learn about equipment & processes through hands on training in laboratory, classroom & industrial visits.

WARP & WEFT

“WE DESIGN YOUR DREAMS.”

Our Department's

Vision

We aim to produce technically skilled women entrepreneurs in clothing and fashion who are empowered with innovation and modern technology following ethical values and environmental consciousness

Mission

- ❖ To create technically skilled and empowered students in clothing and fashion through quality education.
- ❖ To facilitate job placements/ entrepreneurship for maximum students.
- ❖ To encourage care for the environment to cultivate a sense of social responsibility among one and all.

Our Institute's

Vision

To carve a brighter prospect for the nation through excellence in technical education for fostering skills, ethical values and environmental consciousness among girls while undertaking existing and forthcoming challenges.

Mission

- ❖ To nurture technical and creative skills through quality education
- ❖ To strengthen institute industries interaction
- ❖ To impart real-life problem-solving skills
- ❖ To promote care for sustainability of environment and social responsibility among girl students

From the Principal's Desk...

Dr. Ushma Amerao

Dear Readers,
Government Polytechnic for Girls started in 1964 with the aim to provide globally competent skilled girls' technocrat in the field of Engineering as well as non-technical areas like fashion designing.

Initiating something new is always motto of institute. It is my great pleasure for the initiation taken by almost all departments to publish departmental newsletter. A concept behind these newsletters is to disseminate knowledge, skill and information amongst all stake holders. Students, Faculty members and Industrialists related to all diploma branches that are functioning at this institute gets platform to share the upcoming technologies, events in the department and achievement of students and faculties by these newsletters. It is the synergetic approach to transit from better to the best.

Principal

Message from HOD's Desk

Dr. Jyotiba R. Jhala

As a Head of department of C.A.C.D.&D.M. My goal will be to expand educational and research opportunities, creativity, innovation and professional leadership and build strong and unique national partnership with the ultimate objective of providing the best education to girl's students and create character building opportunities in India & abroad
