Vision of the Institute

To carve a brighter prospect for the nation through excellence in technical education for fostering skills, ethical values and environmental consciousness among girls while undertaking existing and forthcoming challenges.

Mission of the Institute

- To nurture technical and creative skills through quality education.
- To strengthen industries interaction.
- To impart real life problem solving skills.
- To promote care for sustainability of environment and importance of social responsibility among girl students.

Vision of the Department

To be a centre of excellence for girls in Information Technology by preparing them to be efficient problem solvers, innovators and entrepreneurs in the era of dynamic IT field and to envision empowering women by providing roadmaps that foster professionalism, humanism and social responsibility

Mission of the Department:

- To provide excellent technical knowledge for IT industry.
- To foster interpersonal and leadership skills through co-curricular and extracurricular activities to enable students for higher studies.
- Create a vibrant and an intellectually stimulating environment for students to promote real world problem solving.
