Vision of the Institute

To carve a brighter prospect for the nation through excellence in technical education for fostering skills, ethical values and environmental consciousness among girls while undertaking existing and forthcoming challenges.

Mission of the Institute

- To nurture technical and creative skills through quality education
- To strengthen industries interaction
- To impart real life problem solving skills
- To foster care sustainability of environment and importance of social responsibility among girl students

Vision of the Department

To instill technical skills among students through excellence in education and develop them as computer professionals for forthcoming challenges with moral values, environmental and societal consciousness.

Mission of the Department:

- To impart quality education for developing technical skills
- To create awareness on emerging trends and technologies
- To cultivate a sense of social responsibility with ethical and strong moral values.
