Fashion does not remain constant, it keeps changing.

BEGINNING

The department was established in the year 1971 formerly it was started as diploma in Garment making. This is one of the oldest departments since the institute started. The department of computer Aided Costume Design and Dress Making is the platform to get a place in the fashion world. It is imparting training in the areas of pattern making, CAD, Design & Technology to assist the Indian Apparel industry to meet the challenges to the global market. The programme imparts practical knowledge pertaining to apparel manufacturing technology. The students learn about equipment & processes through hands on training in laboratory, classroom & industrial visits.

Vision and Mission

VISION

- We aim to produce technically skilled women entrepreneurs in clothing and fashion who are empowered with innovation and modern technology.

MISSION

- To create technically skilled and empowered students in clothing and fashion through quality education
- To facilitate job placements / entrepreneurship for maximum students.
- To encourage care for the environment to cultivate a sense of social responsibility among one and all.

MESSAGE FROM PRINCIPAL

Government Polytechnic for Girls - Ahmedabad (GPGA), a premier diploma engineering institute was established in the year 1964 with the aim to provide technical education to girls in the heritage city of Ahmedabad. It is located right opposite to PRL and adjacent to ATIRA, in the throbbing educational hub within the heart of the city and in the vicinity of reputed institutes like L.D. College of Engg., Gujarat beautiful green campus which has its own flora and fauna.

At present, GPGA offers 3-year diplomas in 6 programmes under Commissionerate of Technical Education and is affiliated with Gujarat Technological University (GTU). These are Diplomas in Architecture Assistantship (DAA), Biomedical Engineering (DBE), Computer Aided Costume Design and Dress Making (DCACDDM), Civil Engineering (DCE), Computer Engineering (DCoE), Electronics and Communication Engineering (DEC) and Information Technology Engineering (ITE). GPGA has a tradition of imparting quality technical knowledge and ethical values to the students. No wonder GPGA is ranked among top 10 government diploma engineering colleges in Gujarat consistently over the last five years.

It is a matter of immense pleasure for me to present in the newsletter of the institute. The institute is performing well in academic area as reflected by the student and faculty achievements presented here in this newsletter.

The institute is also dedicated for overall development of the students, and hence, we organize various co-curricular and extra-curricular activities along with the regular academic works. Here, it has been tried to provide glimpses of those activities. Also various departments have organized seminars, workshops and industrial visits for making aware the students regarding latest industrial development.

Many students got funding from SSIP 2.0 (Student Startup and Innovation Policy) scheme. The students of the institute are also shining in the placement fare organized by the institute. The students have also participated in various NSS activities and learned to help the society. Further, many activities have been carried out under Gymkhana celebrations. The most remarkable thing happened this year was inauguration of Central Computer Centre with the help and supports of Alumni Association. Finally, I would like to express my thanks to the team for putting their nice efforts in publishing this news letter.

-Dr. B. B. Soneji

MESSAGE FROM HOD

Dear Students,

It is with great pleasure that I introduce the July 2023 issue of "Warp & Weft," the official newsletter of our CACDDM Department. This publication serves as a testament to our department's unwavering commitment to excellence, showcasing the outstanding achievements and contributions of our students and faculty members.

This issue highlights the latest news, achievements, and cutting-edge projects from our Fashion Design Department, celebrating our students' and faculty members' creativity and excellence.

I would like to extend my sincerest gratitude to the "Warp & Weft" team, who have worked tirelessly to bring this publication to life. Your dedication, creativity, and attention to detail are truly appreciated.

Additionally, I would like to thank the faculty members of the CACD&DM department for their ongoing support and contributions to our department's success. Your expertise, guidance, and passion for fashion education are invaluable to our students and community.

-Dr. F.V. KUGASHIYA

• ORIENTATION PROGRAMME-2023-24

Orientation program 2023 for new admitted students of CACDDM Department in every year. In this year it was held on dated 23rd September 2023 at 11:00 pm in Room No. 007 of Girls Hostel Building. Dr. F. V. Kugashiya (Head of Department) had given departmental introduction.

GLIMPES OF ORIENTATION PROGRAM 21-07-23

• INDUSTRY VISIT

As part of our curriculum, we arranged industrial visits for students of 1st, 3rd, and 5th semesters. These visits covered essential topics like garment production, fabric science, and entrepreneurship development, fulfilling the syllabus requirements and providing students with real-world exposure.

VISIT & EXPERT LECTUER -GUIDANCE ON ENTREPRENEURSHIP AND START-UP 03-11-2023

Visit to Beyond Gallery- 21/07/2024
