Vision of the Institute

To carve a brighter prospect for the nation through excellence in technical education for fostering skills, ethical values and environmental consciousness among girls while undertaking existing and forthcoming challenges.

Mission of the Institute

*To nurture technical and creative skills through quality education.

*To strengthen industries interaction.

*To impart real-life problem-solving skills.

*To promote care for sustainability of environment and social responsibility.

Vision of the department

We aim to produce technically skilled women entrepreneurs in clothing and fashion who are empowered with innovation and modern technology.

Mission of the department

- To create technically skilled and empowered students in clothing and fashion through quality education.
- To facilitate job placements/entrepreneurship for maximum students.
- To encourage care for the environment to cultivate a sense of social responsibility
