## MEMORANDUM OF UNDERSTANDING

Date: 20-04-2024

This Memorandum of Understanding (MOU) is signed between Department of Electronics and Communication Engineering, Government Polytechnic for Girls, Ahmedabad and SpyderWave Technologies having its registered office at B-6, Hindola Complex, Lad Society Road, Vastrapur, AHMEDABAD, 380009

The objective of this MOU are to carry out various activities under Industry Institute Interaction to provide state of the art experience to the students and faculties on industrial projects through training, workshops, seminars/webinars in the field of Engineering and Technology.

Both the parties intend to cooperate in the following areas and work jointly to strengthen the industry and academia relation.

1. To identify the thrust areas of recent advancement in the technologies for projects/training with feasibility of implementing specific projects for final year students.
2. To actively involved in identifying skill development/upgradation requirement of students/staff/faculty and subsequently organizing related training programmes/workshops/seminars/webinars as per mutually agreed schedule and conditions.
3. To employ students to industry for placement whenever vacancy arises and subject to successful induction of candidates through company recruitment procedure.
4. To organize and conduct vocational training and study tours for students.
5. To arrange student internship as and when required.
6. To share infrastructure facilities like laboratories, class rooms, library, etc whenever required for execution of the various programs as per the mutually agreed schedule and conditions.
7. To work in the development of innovative teaching and learning materials/strategies as per the requirements.
8. To work towards the academic curriculum development and its upgradation.

No financial aspects are to be covered in this agreement.

The duration of MOU is for three year from the date of signing and can be renewed with consent from both the organizations.

Each party shall have the right to terminate the Memorandum of Understanding by giving one month written notice to the other party at any time.

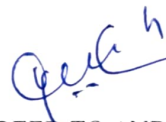

All above mentioned activities will come into action only after prior permission from both the ends as and when required.
