Beginning

Government Polytechnic for Girls - Ahmedabad (GPGA), a premier diploma engineering institute was established in the year 1964 with the aim to provide technical education to girls in the heritage city of Ahmedabad. It is located right opposite to PRL and adjacent to ATIRA, in the throbbing educational hub within the heart of the city and in the vicinity of reputed institutes like L.D. College of Engg., Gujarat beautiful green campus which has its own flora and fauna.

At present, GPGA offers 3-year diplomas in 8 programmes under Commissionerate of Technical Education and is affiliated with Gujarat Technological University (GTU). These are Diplomas in Architecture Assistantship (DAA), Biomedical Engineering (DBE), Computer Aided Costume Design and Dress Making (DCACDDM), Civil Engineering (DCE), Computer Engineering (DCoE), Electronics and Communication Engineering (DEC) and Information Technology Engineering (ITE).GPGA has a tradition of imparting quality technical knowledge and ethical values to the students. No wonder GPGA has been ranked among top 10 government diploma engineering colleges in Gujarat consistently over the past five years.

MESSAGE FROM PRINCIPAL

Dear Students, Faculty Members, and Staff,

It gives me immense pleasure to address you through this edition of our college newsletter. Government Polytechnic for Girls, Ahmedabad continues to stand as a beacon of quality technical education, empowering young women to become confident, skilled, and responsible professionals. With nearly 1800 students and eight dynamic departments, our institution remains committed to academic excellence and holistic development.

Over the recent academic period, our departments have actively organized academic programs, technical activities, workshops, and student enrichment initiatives. The consistent academic performance of our students reflects their dedication and the untiring efforts of our faculty members, who play a crucial role in mentoring and guiding them toward success.

Our institutional committees—NCC, NSS, Alumni, Gymkhana, SSIP, Women Development Cell, and Anti-Ragging—have been instrumental in fostering leadership qualities, social awareness, discipline, and ethical values among students. I sincerely appreciate the enthusiasm and commitment shown by coordinators and participants alike.

Our lush green campus continues to provide a calm and motivating learning environment. I urge everyone to contribute toward preserving its natural beauty and sustainability.

I extend my best wishes to all for continued success and growth. Let us move forward together with dedication, innovation, and a shared vision for excellence. For years, the institute's major focus and concern have been our students and our institution strive to impart the best knowledge in respective fields for promoting and pursuing multidisciplinary diploma engineering in the most disciplined manner. Every student of the institute has been among some of the best talents of the vibrant state of Gujarat express my sincere gratitude to all our stakeholders for their continued support, cooperation and active involvement to make GPGA a citadel of Technical Learning, which sets its own bench

-Shri Bhaskar. J. Iyer

MESSAGE FROM HOD

Dear Students and Faculty,

It gives me great pleasure to address the readers of this newsletter on behalf of the CACDDM Department. Our department continues to move forward with a strong commitment to academic excellence, innovation, and holistic development of our students. We strive to create a learning environment that not only builds strong technical foundations but also encourages creativity, critical thinking, and ethical responsibility.

During this academic period, the department has actively engaged in various academic and co-curricular activities, including workshops, seminars, guest lectures, and student-centric initiatives. These activities are designed to bridge the gap between theoretical knowledge and practical application, preparing our students to meet real-world challenges with confidence.

I am proud of the dedication shown by our faculty members, who continuously work to update their knowledge and mentor students effectively. Equally commendable are our students, whose enthusiasm, discipline, and achievements bring recognition to the department. This newsletter is a reflection of our collective efforts and accomplishments.

I extend my sincere appreciation to everyone who has contributed to its success. Let us continue to work together with determination and vision to reach greater heights in the journey ahead.

Dr. F.V. KUGASHIYA
